

LitGroups Summer Program Covid-19 Protocols

This is a unique year due to Covid-19. The MB government is allowing day camps, and we are taking every precaution to ensure that we are offering programming that is safe for students. Our safety protocol includes the following mandatory measures:

- A maximum number of students allowed in each group, each week, based on the size of the space used
- Separate entrances and exits, with students entering one at a time
- Covid-19-specific screening questions upon arrival, daily
- Hand-washing upon arrival; available hand sanitizer (provided by LITGROUPS)
- **The use of a face shield or mask for every attending person (provided by LITGROUPS)**
- Social distancing of 6 feet (using 6-foot tables, spaced 6 feet apart)
- Regular, daily sanitizing measures
- Separate supply bins for each student

Please do not register your child if you and your child will not comply with these measures; they are not optional and children will not be allowed to participate without adherence to these practices. This is for the safety of everyone.
